PSM1442XS

Powerline Smith Machine System

Uses four 2"x2" 12-gauge steel pillars to support and guide the patented Super-Glide carriage during your most vigorous sets. 14 lockout positions and adjustable safeties assure the lifter ultimate safety while striving for greater muscle gains. PowerLine has taken the best equipment out of the health club and engineered it to their own uncompromising standards. Best of all, we made it affordable!

Dimensions: 85"H x 45"L x 76"W

Special Features

- 10-year Powerline warranty
- Heavy duty steel construction with heavy gauge reinforcement plates and hardware
- 14 lockout points spaced 4½" apart for user safety
- Heavy duty adjustable safeties
- Heavy gauge diamond plate foot plate
- Super-glide nylon bushings for frictionless movement
